During a tight labor market we are pleased to introduce the 'next gen' reservations employee

Michiel an Al employee

Powered by Postillion

Erik-Jan Ginjaar

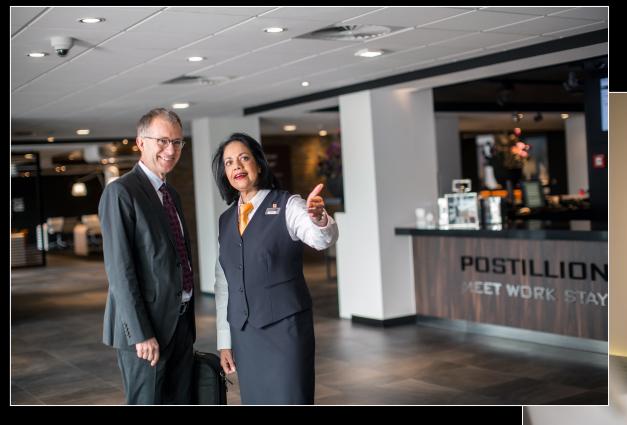

CEO Postillion Hotels

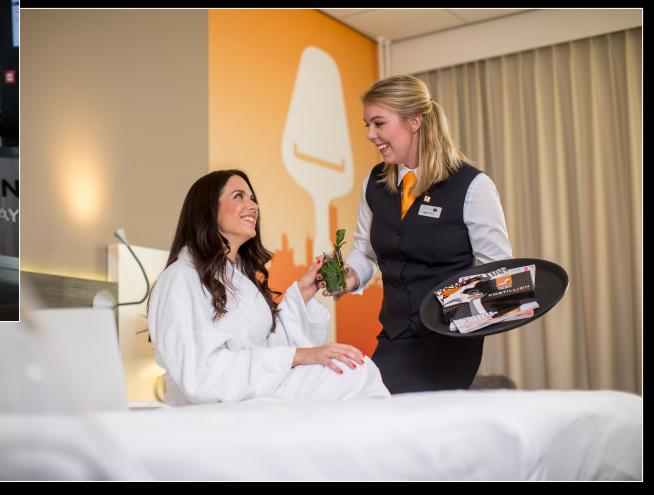

It all started with a dream...

our dream: a hotel without offices

our dream: to deliver sincere hospitality

Focused on trends and innovation

Digitalization within hospitality

in operations

Selfservice check-in

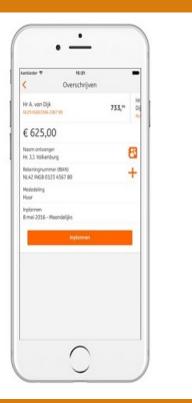

Mobile check-in

We've got inspired

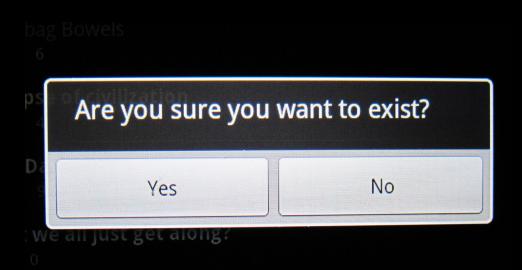

Reservation office - 'too many' emails

Over 10.000 reservation emails per month

And: consider the needs of our clients

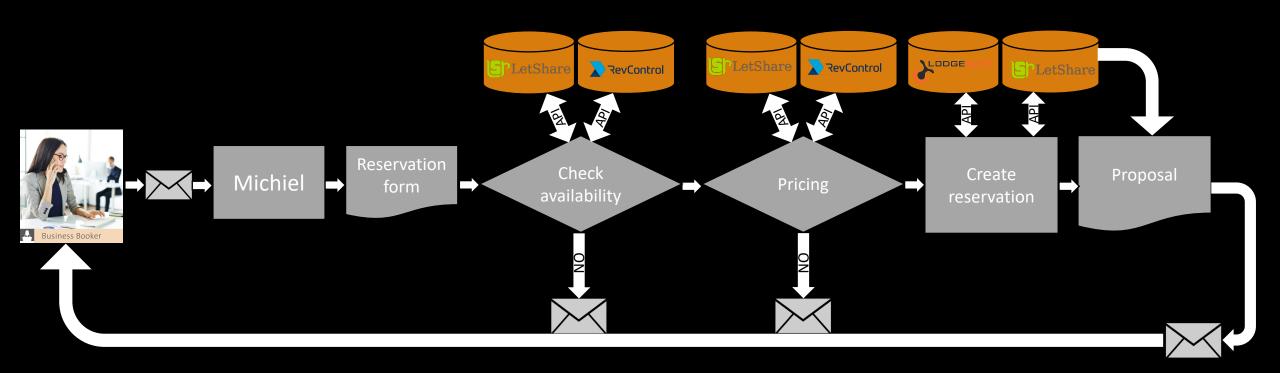

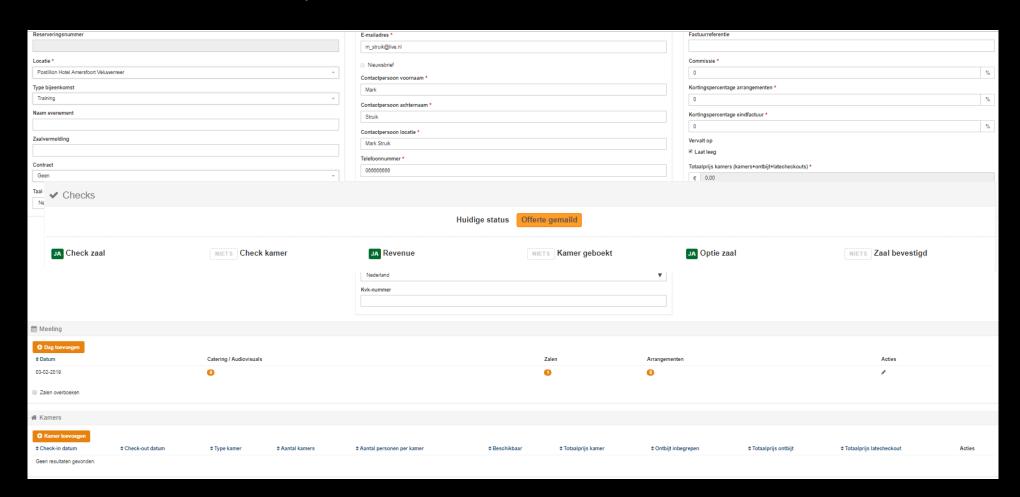

And so the idea of Michiel was created

Prototype Michiel – an Al solution

Operation of Michiel

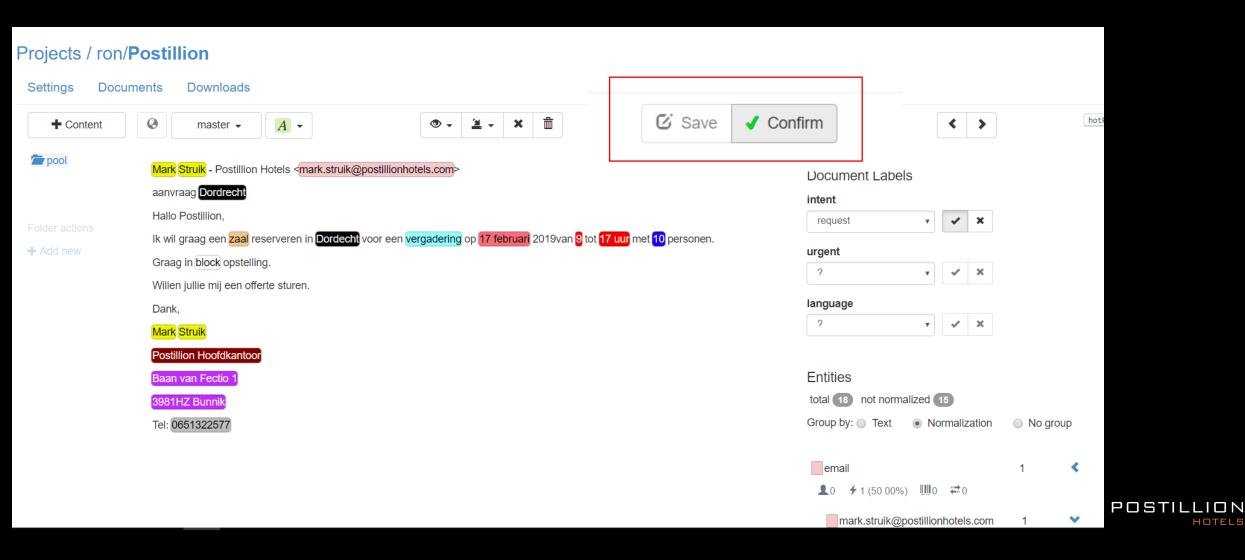

AI, API and automation
